Dear Mr. Shaw,

I have reviewed the application prepared by the City of Charlottesville to be submitted under Round 5 of the Virginia Department of Conservation and Recreation's Community Flood Preparedness Fund.

Based on the FEMA FIRMettes provided, portions of the City are located within a regulatory floodplain and subject to recurrent flooding.

If you have any questions about the proposed application, please feel free to reach out to me by email at DNAdvising@gmail.com or by phone at 804-363-7437.

Sincerely,
