

NEWPORT NEWS

Census Blocks Under Consideration for the
FloodREADY Homes Study

Proposed Work Areas

- Low Income, Repetitive Loss Area, and in the SFHA
- Low Income and Repetitive Loss Area (no SFHA)
- Low Income Only
- No Criteria Met

There are 175 census blocks in Newport News that are low-income per CFPF's definition. The Study will take place in these census blocks, with specific locations chosen per voluntary homeowner participation and the prioritization framework developed in Task 1 Project Initiation and Management of the Study.
