

Appendix A:

Resilient Virginia Revolving Fund Application for Category 1A: Bridges, Culverts, and Slope Stabilization Projects

Section 1: Applicant Information (Local government only)

- Applicant Name: _____
 - Phone Number: _____
 - Email Address: _____
 - Mailing Address: _____
 - Locality (City/County): _____
-

Section 2: Project Location and Description (Local government only)

- Project Name: _____
- Address or GPS Coordinates of Project Site: _____
- Is this access the only legal access to the primary residential property?
(Yes/No)
- Description of Existing Conditions: (Describe current bridge, culvert, slope conditions, and flood-related issues)

Section 3: Project Scope and Objectives (Local government only)

- **Type of Project:** (Check all that apply)

- ☐ Bridge Reconstruction/Design
- ☐ Culvert Reconstruction/Design
- ☐ Slope Stabilization
- ☐ Retaining Wall Construction
- ☐ Engineering Assessment
- ☐ Other (please specify): _____

- **Brief Project Description:** (Provide a summary of work to be performed)

- Estimated Project Start Date:
- Estimated Project Completion Date:

Section 4: Flood Resiliency and Design Standards

- Has the project been designed to withstand a 500-year flood event (where applicable) or apply flood resilient measures found in FEMA RSL P-2181 and ASCE 24-24 standards?
 - **(Yes/No)**
- Local Government Permits:
 - Permit Type(s):
 - Date Issued:
 - ☐ ***Uploaded to DCR Portal.***

Section 5: Funding and Coordination

- Has this project been submitted to DHCD's Virginia Disaster Assistance Fund (VDAF)?
 - **(Yes/No)**
- If yes, please provide:
 - Date of Submission:

- Award Amount (if any):
- Status of Application:
- Total Project Cost:
- Amount of Funding Requested from DCR:
- Are there any prior eligible expenses for reimbursement?
 - **(Yes/No)**
- If yes, please describe:

Section 6: Supporting Documentation Checklist

Please attach the following documents with your application:

- ☐ Engineering assessments and reports
- ☐ Detailed design plans and specifications
- ☐ Cost estimates/budget
- ☐ Local government permits or permit applications
- ☐ Evidence of DHCD VDAF submission and award status
- ☐ Photographs of existing conditions
- ☐ Any additional supporting documentation

Section 7: Certifications and Signature

I certify that the information provided in this application is accurate and complete to the best of my knowledge. I acknowledge that the project will comply with all applicable flood resiliency standards, including FEMA and ASCE guidelines, and that all necessary permits will be obtained.

Applicant Signature:

Date:

Printed Name:

Section 8: Locality and Planning District Commission Certification

The undersigned certify that this application has been reviewed and is supported by the Locality and the Planning District Commission.
